13 INDIANA MEN CAUGHT IN RED NET

Other Arrests Are Expected Momentarily, 4,000 Having Been Rounded up by Government

STARTLING DISCLOSURES

Revolutionary Movement in This Country Result of International Conference at Moscow

LENINE AND TROTSKY'S WORK

Complete Evidence Against More Than 2,000 Will Result in Them Being Deported

(By United Press.)

Washington, Jan. 3.—A complete revelation of the dangerous workings of bolshevism throughout the world with a deciding force at Moscow is in possession of congress, it was learned today, following the roundup of more than 4,000 reds in this country.

The report which was compiled by the Russian affairs section of the state department has been sent to the house and senate foreign relations committees by Secretary Lansing and is expected to be made public soon.

Indianapolis, Ind., Jan. 3.—Thirteen persons were caught in Indiana in the federal dragnet spread over the country last night and today for the roundup of radicals. Other arrests are expected momentarily.

There were also forty arrests at Gary but the Calumet region is under the jurisdiction of the Chicago offices of the department of justice.

Of the thirteen arrests, six were of Clinton, three of Terre Haute, three of Fort Wayne and one of Anderson.

Joseph Zimmerman, former state secretary of the socialist party, was arrested at Anderson. This is the only name made public.

Raids were continued today in South Bend, Gary, Indianapolis and Vincennes. C. H. Paul immigration inspector of Chicago, came here today to assist department of justice and immigration officials in examination of those arrested.

Washington, Jan. 3.—More than 4,500 alleged radicals have been taken into custody in the nation wide drive, it was learned today at

MERCURY WENT TO 9 BELOW LAST NIGHT

Coldest Night This Winter is Recorded And Continuance is Expected for Tonight

HIGHEST TODAY 8 ABOVE

Elwood Kirkwood, government weather observer at Maury, kept his word yesterday, when he predicted a cold wave for last night, and the temperature reached its lowest point for this winter when it dropped to nine degrees below zero sometime in the night.

At seven o'clock this morning a temperature of zero was recorded, and at nine it reached four above, at ten six above and at noon it was eight above, which was the high mark set for this afternoon.

A fine snow began falling just before noon despite the fact that the temperature was low, and this fact combined with the direction of the wind gave evidence of another night of cold in prospect for last night.

ONLY EIGHT AT WORK TODAY

Glove Company Strikers Say That Number Reported For Duty

Striking employees of the Rushville Glove company said today that all but eight of approximately sixty who have been working at the plant, had left their places this morning. Inspectors have been receiving two and a fifth cents a dozen and a bonus, representatives of the strikers stated, and asked for a rate of five and six cents, according to the grade of gloves. Operators have been paid eleven cents and a bonus which made their pay between 12 and 13 cents and struck for a scale of fourteen and fifteen cents. An official of the company stated yesterday no concessions would be made to the strikers. All on strike are girls except two men.

DOZEN HIGHWAY PETITIONS FILED

Seven of Them Request Construction of Cement Roads and Others Are For Stone and Gravel

TWO CONCRETE EXTENSIONS

One Proposes Addition to Brick East of City and Other to Cement Road South of Here

Indications that road building activity will be renewed this year are found in the fact that twelve petitions for new highways, to be constructed under the three-mile road law, have been placed on file in the county auditor's office.

Just when they will be placed before the county board of commissioners is problematical. The law says no petitions for new roads may be filed when the township in which they are to be built has no available funds for the purpose. The townships are limited to four percent of their total taxables for road building.

The county attorney, John A. Titworth, takes the position that there is nothing in the law to prevent the formality of filing the petition, but that the commissioners can not act on the petition as long as the township is up to the bonded indebtedness limit.

It is stated that not many of the dozen petitions now on file in the auditor's office can be acted upon at once on account of this phase of the law.

Seven of the twelve petitions ask for the construction of cement roads. The others call for either gravel or crushed stone.

Two of the petitions are for roads in Posey township; one of them cement, to run east and west through Arlington. The other petition was filed by John A. Nelson and others and calls for a road built of broken stone with a layer of gravel on top.

Two petitions for cement roads were filed by Ripley township residents, the name of Hiram H. Henley heading one and that of Harvey J. Catt the other. They ask for the paving of short stretches of road west of Carthage which lie in the Big Blue river valley and are flooded every year.

One of the other cement road petitions was filed by D. O. Buell and others, living east of the city, and calls for an extension to the brick pavement which stops at the eastern line of East Hill cemetery.

Fred Bell and others have petitioned for the improvement of the Dunreith pike, north of Rushville, in Union township, with cement.

The petition of J. P. Wilson, and others calls for the extension of the cement road leading to New Salem out of Rushville. The Cape road, which was first built through Cape, is now being improved.

BUSY THIS WEEK TAKING INVOICES

Merchants and Manufacturers List Stock on Hand so 1919 Business May Be Closed

INVOICING MORE IMPORTANT

State and Federal Laws Require Filing of Number of Statements Regarding Earnings

Local retail establishments have been busy during the week taking an invoice of their stock so that their books for the year 1919 may be closed as soon after the first of the year as possible. Factories here are also engaged in the annual task of taking stock. In past years factories have closed during the holidays for invoicing, but this year due to the rush of orders, they have not shut down entirely. While one department of the factory is invoiced, the remainder are kept running.

Stock taking is of more importance than a few years ago. Today partnerships and corporations are required to file a number of reports relative to their earnings with the state and federal authorities and these figures can be obtained only after the year's business is completely checked up. Formerly individuals who owned stores frequently did not invoice each year as they knew that the profits earned belonged to them and accountings each year were not regarded as essential. With corporations and partnerships, however, annual accountings are necessary. Under the present laws the figures required of business enterprises cannot be given accurately unless invoices are carefully made and the reports furnished the government must be taken from the books.

Corporations are required to report to the bureau of internal revenue regardless of their earnings. Besides this revenue most of them are required to pay income tax and the government is very exacting in its settlements. Some firms formerly closed their fiscal year during the late winter or at other times during the year, but because of the operation of the income tax law many of these concerns are closing their fiscal year on December 31. By so doing only one set of reports are required. If the fiscal year of any corporation closes after December 31, it must file reports.

HUNT COMES OUT AS A SHERIFF CANDIDATE

First Candidate to Make Known His Intentions of Being a Contender For Office

IS A REPUBLICAN CANDIDATE

The first candidate to announce himself came out today, when Sidney L. Hunt made known his intentions of being a candidate in March for sheriff of Rush county, subject to the decision of the republican party, at the primary election.

With the primary election only a short distance away the candidates will soon begin to file their intentions fast in the next few days. Mr. Hunt is the first so far to make known his intentions. He is a candidate from Rushville township, four years ago he was a candidate from Union township, being defeated at the election by E. K. Jones by 17 votes.

Mr. Hunt is a hardware merchant in this city, and stated today that his many friends had urged upon him to make the race again this election and today decided to make public his intentions.

FORMER MINISTER WILL HAVE CHARGE

The Rev. W. P. McGarey, Former U. P. Pastor, Will Be Here For Revival Jan. 12 to 23

WAS HERE FOR EIGHT YEARS

His Energy Was Responsible For New Church Built Here About Ten Years Ago

The Rev. W. P. McGarey, former pastor of the First United Presbyterian church here, will conduct a revival in Rushville from January 12 to 23, according to an announcement made here today. The revival meetings, which will be held at the local U. P. church, will begin a week from Monday and continue until Sunday, January 25, but the Rev. Mr. McGarey will be compelled to leave on the preceding Friday in order to be in Alliance, Ohio, in time to begin a protracted meeting January 26.

The news that the Rev. Mr. McGarey will conduct a revival here will be welcome news to scores of Rushville people because he was one of the most popular pastors and preachers ever holding a charge in Rushville. He served the local church for eight years and it was with the greatest regret that the congregation and others in the city saw him leave.

It was due to his resourcefulness and energy that the present edifice in which the United Presbyterians worship was built. He resigned soon after it was completed almost a decade ago. The Rev. McGarey served in the Rushville charge for eight years.

Since leaving here, he has taken up evangelistic work in connection with his pastoral duties. He began a tour in August at Roberts, Idaho and since that time has held revivals in Sterling, Kansas; Superior, Nebraska; Saxman, Kansas; Viola, Kansas; Pretty Prairie, Kansas; Guthrie, Oklahoma.

Pastors where he has been conducting revivals, Presbyteries, and the press all join in praising him for the service he has performed as an evangelist. The following endorsement was given him by the Indiana Presbytery when he left the Rushville church:

"We as a Presbytery express our gratitude to God for the work accomplished. (in Rushville, Indiana)."

Continued on Page Two

LEGISLATURE SHOULD MEET MORE THAN DAY

Rep. Jinnett Believes It Would Be Wisest Policy to Transact All Business at One Session

FOR ONE DAY IF NECESSARY

W. R. Jinnett of Manilla, Rush county representative in the state legislature, who was in Rushville today, said that he favored a special session of the general assembly for one day to pass the suffrage amendment to the federal constitution, but that he believed it would be the wisest policy for the legislature to continue in special session until all questions to be considered were disposed of.

"I am now and always have been in favor of woman's suffrage," said Rep. Jinnett, "and I am anxious to see the amendment passed. I will vote for it in the special session. If it is found necessary to hold a one-day session in order to ratify the amendment on time, I am heartily in favor of such a session at once, but I believe it would be the best course to transact all business at one session instead of having two."

'STOLEN' CAR RECOVERED

Garagemen Take John Wright's Automobile by Mistake

A "stolen" automobile was soon recovered yesterday afternoon, when John Wright reported that his touring car had been taken from in front of the John Knecht garage. The local police notified surrounding cities to be on the lookout for the machine, but soon afterwards the "stolen" car was found in Will Spivey's garage. An investigation disclosed the fact that the garagemen had been sent to place a machine in the garage, and took the wrong car by mistake, and it was not noticed until after the rightful owner called for his car at the Spivey garage.

HILLIGLOSS WINS \$1150 JUDGMENT

Jury Returns Verdict This Afternoon in Damage Suit Against Coulter and Archey

WALTER S. SMITH IS ARRESTED

Farm Laborer Pleads Not Guilty to Incest Charge—Corra Rea and Loren Meek Sued For \$5,000

The jury in the case of Hilligoss against Coulter and Archey of Milroy, found for the plaintiff this afternoon at two-thirty o'clock, and returned a verdict of \$1150. Hilligoss originally asked for \$3,000 damages, but the paragraph asking damages for the injury done to his farm by bringing upon it infected hogs, was dropped, and the amount sifted down to \$1500, with the jury returning judgment for \$1150.

The arguments were concluded this morning at ten-thirty and the case was then given over to the jury after being on trial for three days. The case was brought on account of several head of hogs purchased by Hilligoss at a public sale, were said to be infected with cholera.

The grand jury which was in session Thursday and Friday failed to get through yesterday, and adjourned until next Thursday when more witnesses will be summoned. Many were examined yesterday from the north part of the county, especially from Carthage.

Walter S. Smith, living on the Dora Hilligoss farm, southwest of this city, was arrested this morning by Sheriff Jones on a charge of incest, and when arraigned this afternoon before Judge Sparks, he entered a plea of not guilty. His bond was fixed at \$1,000 which he was unable to provide, and he was sent to jail to await trial.

It is understood that the charges were preferred by information obtained from his eldest daughter, Gladys, aged 19, upon whom the allegations were committed.

A complaint has been filed in circuit court here by Shelbyville attorneys, for George F. Weintraub, against Loren Meek and Mrs. Corra Rea, demanding judgment in the sum of \$5,000 for alleged injuries sustained when his machine was struck by a machine owned by Mrs. Rea and driven by Meek.

The complaint is in two paragraphs, and judgment is demanded in the sum of \$5,000 on the two paragraphs. The first sets forth that the plaintiff's machine was damaged and bodily injuries were sustained in the collision. The last paragraph alleges personal neglect, carelessness and reckless driving.

The accident happened, according to the complaint, on August 26, last year, at the intersection of the first cross roads, south of Sandusky. The plaintiff was driving west and had turned south into the highway known as the Greensburg-Kushville pike, and was driving at a speed of 15 miles per hour.

BLANKS RECEIVED BY THE ASSESSORS

They Will Gather Statistics From Farmers For Crop Reporting Service of Indiana

SIMILAR TO CENSUS BLANKS

Conform Closely to Schedule Except That The Production Figures are Eliminated

A new form of statistical report to be secured by township assessors for Indiana farms for 1919 agricultural information was mailed to the different townships today by George G. Bryant, field agent of the Co-operative Crop Reporting Service for Indiana. It is divided into six parts and conforms very closely to the U. S. census agricultural schedule, except that production figures are eliminated and only acres and numbers are asked for on the assessors' report.

The first part comprises only the acreage of the farm, whether owned or rented, and is classified according to the use made of the land; the second part asks for the acreage devoted to crops and is classified by cereals, hay and forage, seed, commercial truck, small fruit and miscellaneous crops; the third covers duplicated acreage. The fourth part in which the greatest change is made is devoted to live stock, which is in two divisions, the first showing the numbers of all kinds of animals on farms by age, and the number of deaths from disease, the second showing the breeding stock by classes; part five pertains to orchards containing trees of bearing age and part six asks a number of miscellaneous questions regarding farm operations.

The schedule is regarded as a great improvement over previous efforts and coming at the same time as the U. S. census it is hoped the farmers of the state will be more interested than heretofore, and where possible, will preserve for the assessors the data they give to census enumerators.

It is explained that this schedule can not be used for taxation purposes and that there can be no objections among farmers to give the data asked since the production figures are eliminated. Chapter 34 of the

BROTHER OF LOCAL MAN HURT IN PLANE MISHAP

Dr. J. A. Drago of Connersville Suffers Two Broken Ribs and Broken Leg at Paducah, Ky.

SHIP FALLS IN TAIL SPIN

Dr. J. A. Drago of Connersville, brother of Dr. D. D. Drago of this city and well known here, suffered serious injuries in an airplane accident near Paducah, Kentucky, on Wednesday afternoon, according to word received yesterday by the Rushville veterinarian. One of his legs and two ribs were broken in the fall, when the machine crashed to the ground while in a tail spin.

H. Garrison, the aviator who was piloting the plane, sustained only minor injuries.

Dr. Drago of this city said today there were no indications that his brother was injured internally. The Canadian ship, which belongs to the Rainbow Aviation company, was taken to Paducah by Mr. Garrison and Dr. Drago joined him there for the exhibition flight.

The plane has met with several mishaps, the first one being at Connersville, when Roydon Friend, son of Mr. and Mrs. Friend of Orange, formerly of this city, who was its first pilot, was injured and the

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky. Who Has Made Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are hardly rebuked by a Kentucky druggist who has for years been much interested in the growth of this headache, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germ of influenza, but many other kinds as well.

He people would only stop experimenting for two weeks and try a simple remedy made of Mentholated Armeine mixed with enough boiled water to make a full pint, half of the catarrh in the country would be abolished. It's really one drop for people

who don't know about this simple recipe to be constantly sniffing and snuffing, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of an ounce of Mentholated Armeine—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The thicker mucus will soon lose their cohesion, hold up, and be clean and healthy.

Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

HOG PRICES STEADY WITH 7,000 RECEIPTS

ember 31 it is required to make a tentative report and then settle in detail when the figures are definitely known.

Another reason for invoicing late the close of the year is that the week between Christmas and January 1 is usually a dull business period and the stock can be taken with less interruption than when the business is active. Most of the concerns here endeavor to complete the stock taking before January 1 and then finish their financial statements as soon after the first of the New Year as possible.

FORMER MINISTER WILL HAVE CHARGE

SALVATION ARMY PROGRAM

Perry O'Neal Makes Principal Address at Meeting Friday Night

Perry O'Neal, who served overseas as a captain in the 94th division, made the principal address at a meeting held in the Salvation Army hall last night. He spoke very complimentary of the work of the Salvation Army during the war, how it had been the one organization to receive the unqualified approval of soldiers.

The meeting was opened with a prayer by the Rev. G. E. Sheldon of the First Presbyterian church and the closing prayer was made by Rev. J. T. Aiken of the First United church. Songs were sung by Miss Bernice Kelso and Helen Jones.

held for the past two weeks at the auditorium, came to a close last night and never in the history of Pretty Prairie have meetings been so well attended. Rev. McGarey held the undivided attention of his audience at every service. He is an adept in the line of illustrating an intricate point. Much good may be expected yet to come from this series of meetings. (Kansas) Times.

PRICE

QUALITY

When you part with the amount of cash necessary to buy a manure spreader you have a right to expect a great deal. When you invest your money in the "Rushville Special" Spreader you get a good deal. We guarantee value received for every dollar you pay, and this against future conditions of every kind. Buy it now and take advantage of our prices. Don't stare your farm while you're making up your mind.

It is impossible to put the best of everything into anything and sell it at too low a price, because quality and price MUST go hand in hand. The "Rushville Special" Spreader comes from a factory producing the largest volume of spreaders anywhere in the world and our prices are based on the quality built into the machine.

In buying a manure spreader, you should not forget to take into consideration the cost of repairs and upkeep and the length of time it will last. Don't allow the temporary low price to hide the dollar in the distance. Remember that the best of you buy it at the right price, is the cheapest always in the end. The reason the success of our spreader lies in the results it gives both in work and in staying qualities, and remember it is not only guaranteed by us but by the factory with a written guarantee that means something.

Now we are introducing the self-cleaning spreader, the "Rushville" Cylindrical No-Choke Box, the steel construction and steel frame. Five years is a long time to absolutely guarantee. This means double or maybe three times that number of years of good service. It's scared for life and can't be scared. Come and see it at our factory.

SUSTAINS DEMURRER TO SMITH INDICTMENT

Judge Anderson Virtually Throws
Case Against News Owner
Out of Court by Ruling

HOLDS SECTION DIDN'T APPLY

(By United Press.)
Indianapolis, Ind., Jan. 3.—Federal Judge A. B. Anderson today sustained the demurrer to the indictment charging Delavan Smith, one-fourth owner of the Indianapolis News, with having filed false statements of ownership of the paper. The judge held the section under which he was indicted did not apply in his case.

Judge Anderson's action has the effect of throwing the case out of court unless District Attorney Slack takes it to the federal court of appeals.

Smith was indicted Oct. 24 after disclosure to the effect that the late C. W. Fairbanks had been three-fourths owner of the News prior to his death. Smith had filed statements required by federal law, it was charged, in which he alleged he was sole owner of the News.

HILLIGROSS WINS \$1150 JUDGMENT

Continued from Page One
a moderate rate of speed, going south, and the complaint alleges that the other machine, going in the same direction, driven by Meek was "going at a terrific rate of speed to wit: 60 miles per hour."

The plaintiff states that before turning from the east and west road into the north and south road, he slowed down, and looked for any approaching machine, which was not visible. He states that he then turned into the Greensburg-Rushville highway, and a collision resulted.

He alleges that his machine was turned over, and he was pinned underneath of it. He states that he was internally injured, bodily bruised and mentally distracted, and paid \$200 in physician's fees, and \$200 for repairs on the damaged machine. He states further that he was compelled to remain in bed for a length of time, and his regular vocation was neglected.

The second paragraph states that the accident was due to the reckless and careless driving of Meek, whom it is charged passed the machine on the right side, instead of the left side of the road, both machines travelling in the same direction, and with the defendants car travelling at the excessive speed of 60 miles per hour.

Weintraut is a resident of Shelby county, and the defendants, Mrs. Rea lives at the corner of Thirtieth and Main street in this city. Meek, her son-in-law, resides at the same place.

Continued from Page One

the department of justice. The result, which is not yet completed, has been far better than expected. The great raid will show a total of over 4,000 arrested.

Complete evidence against more than 2,000 of those now held in the hands of the department and deportation will be made.

It is stated ninety percent of those held will be deported or convicted of criminal anarchy.

Details of the organization of two communist parties which sought to sovietize the United States were made public today by Francis Garver, assistant attorney general in charge of the round-up. The revolutionary movement in the country was the result of the third international conference held at Moscow last March, he stated.

The examination of various documents in his possession, Attorney General Palmer says, establishes the following facts so far:

"That the communist party was the outgrowth of the left wing of the socialist party in America.

"That it is an integral part of the first congress of the communist international which was formed by the Bolsheviks.

"That through its history as the left wing of the party, it constantly followed the doctrines of mass action and the dictatorship and of rule of the proletariat.

"That the first congress of the communist international directly

HOPE TEAM DEFEATED HERE 48 TO 18 SCORE

Bartholomew County Team Proves
Easy For Local Basket Toss-
ers in One-Sided Game

22 TO 10 END OF FIRST HALF

The local independent basketball team soon took the hopes of winning away from the Hope Independent team here last night, when they defeated the Bartholomew county team by the score of 48 to 18.

The visitors came here highly reputed to be one of the fastest teams in southwestern Indiana, and the locals were expecting a difficult contest, but soon after the game started, the score began to go up, and little doubt was expressed at the first half, as to who would win the game.

Martin, center of the locals, made 9 field goals, and Smelser followed with six, Henley five and Keating four. Hope made 10 points in the first half and Rushville lead with 22.

The score and summary:
Rushville (48) Hope (18)
Henley F. Stewart
Smelser F. Spotts
Martin C. Wade
Keating G. Gillard
Petty, Brown G. Fishell
Field goals: Henley 5, Smelser 6, Martin 9, Keating 4, Spotts, Wade 3, Fishell 3, Gillard. Foul goals, Spotts 2.

advocated the overthrow of all governments through mass action.

"That the communist party of America in the manifesto adopted at its national convention held in Chicago advocated the overthrow of the government of the United States.

"That the communist party of America through the propaganda being carried on now is advocating the overthrow of this government by force and violence.

"The same conclusion also applies to the communist labor party."

The attorney general by along list of documents revealed that the organization in this country was a direct result of the efforts of Lenin and Trotsky who were directing it as much as they were able to do without the advantage of direct communication.

WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health
Officials Warn People to
Keep Clean.

Stay Away from People with
Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcine into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcine in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

Coal Commission "Loaded Dice".

"Loaded dice for the American public," is the way Senator Frelinghuysen of New Jersey characterizes the agreement under which the coal strike was called off. Heralded throughout the country as a "settlement" by the President and his Attorney General, an arrangement was entered into with the miners under which they resumed coal production. The public was led to believe that, all other agencies having failed, Mr. Wilson from his sick bed advised the plan which ended the difficulty. But as the public becomes aware of the vast power to be wielded by the newly appointed coal commission they realize that the settlement was nothing less than a complete surrender to the miners' demands; in fact it went further in that the commission may not only fix wages for the future but it may make the new rates retroactive to any date it may see fit. Wages in the past, present, and future, as well as all future prices of coal, are to be established by Mr. Wilson's commission of three men.

The control that those three individuals will exercise over the pocketbooks of the people is simply enormous, and rivals the financial powers of congress itself. If they wish to do so they can take a billion dollars from the purses of 140,000,000 people and give it to 1,000,000 that is, the coal miners and coal operators. The public is helpless and must pay the bill, either directly in the purchase of coal or indirectly in the enhanced prices of manufactured commodities. The men whom Mr. Wilson has selected as the financial arbiters in the production of fuel are supposed to represent equally the miners, the mine operators, and the public. Whether they do or not is a subject for discussion, but assuming that all three interests are represented by men of equal ability and sincerity, it follows that ninety-nine percent of the people have one vote on the commission, less than one per cent, the miners, have another vote, and a very small fraction of one percent, the operators, the other vote.

Why the people of the country should be outvoted ninety-nine to one on a commission clothed with power to fix the fuel policy of the whole nation is something that the average citizen cannot understand. Right there is where the "loaded dice" get in their deadly work. The

No man is as good as he might be.

Unpleasant facts are often best stated in blunt words.

Don't boast of your money unless you are proud of how you got it.

Sometimes things are lifted up by bringing them down to a common sense basis.

The amount of empty space in your head determines your standing in the community.

Hez Heck says: "It doesn't make any difference how big a little barrel is if it leaks."

public must stand helplessly while an insignificant few, proceed to mulct them to any extent their fancies dictate.

Rockefeller and Others

For many years it has been customary when news was scarce to take a wallop at John D. If he gave ten thousand to charity, we figured that he would save his conscience by raising the price of oil.

Which ever way the cat jumped, John D. would land in front of it.

A few years ago the giving of a million to charity would create a national stir. Today it is nothing.

John D. gave a hundred millions to philanthropy Christmas morning, and by night the story was too old for repetition.

But John D. is different from others. He scatters his money abroad in the hope that it will do some good in the world. The new generation of money kings hugs it to their own breasts and growls at the poor devil who begs a nickel for a crust of bread.

The devil may become peeved at John D. even yet.

No, don't ask us to divulge the names of the first bridal pair of the new year. Just wait and keep on guessing.

Rush county girls have something to shoot at, anyway, in 1920, with 179 marriage licenses issued in Rush county last year.

Food prices increased six percent last year as compared with sixteen percent in 1918—if you can find any satisfaction out of that.

Do your shopping early. Only twelve months until Christmas again.

The wise man plans for the years to come. The fool prattles of those that have flown.

It is great to be a dad—when the Christmas bills float in.

Be an optimist. Perhaps you can amuse him this year.

Keep moving! 1821 is just around the corner.

+ **Fun Comes In** +

The Firemen Didn't "Hitch Up"

People act differently under stress, but the person is rare who does not get excited during a fire.

Rushville city firemen tell some funny stories of experiences they have had. Not long since the fire in a house here was burning out and the occupant was convinced that his residence would catch fire. He phoned the fire department and urged the firemen to "hitch up" and be ready to come at a moment's notice.

Of course, the firemen, having had similar experiences, did not "hitch up" because that operation requires but a few seconds. In about thirty minutes the excited man called again and apologized, explaining that the house did not catch fire as he expected, but that he had forgotten to call the department and tell the firemen they could "hitch up" if they all right. He said: "I'm a little nervous, I'm a little nervous, I'm a little nervous." Williams, fire chief, said: "We didn't hitch up."

Amusements

Fannie Ward at Mystic Tonight

After being advertised for three times the picture, "The Cry of the Weak," will positively be shown tonight at the Mystic theater. This photoplay features Fannie Ward. The usual Saturday night comedy program will also be shown, which will include a Harold Lloyd comedy, "Off the Trolley," which is said to be up to the regular standard of Lloyd comedies.

The program Monday will be the 31st episode in the James J. Corbett serial, entitled, "A Fight to the Finish." An L-Ko comedy feature will also be shown in connection with the serial picture as well as Universal current events.

George Walsh Here Tonight

William Fox's breezy and versatile star, George Walsh, is to be the attraction at the Princess Theatre tonight when he will appear in a brilliant mystery comedy called, "Putting One Over." Some Walsh feats of extraordinary daring are promised but first the story is said to be an admirable one, replete with humor and with tense dramatic situations and complications which apparently defy solution.

As Jack Trevor, a New York salesman bound for Texas, Walsh is caught in a train wreck and a party of daring crooks manipulate his appearance while he is unconscious, so that he is made a "double" of the heir to a big estate who has been killed in the wreck. Of course, Trevor falls in love and finds himself in a maze of exciting and mysterious happenings.

Dorothy Dalton spent several days with the leading Fifth avenue modistes obtaining costumes which she wears in "L'Apache," her latest Paramount-Artcraft picture produced by Thomas H. Ince, which is coming to the Princess Monday. They are the last word in style and costly material. Miss Dalton has two strikingly contrasted roles in "L'Apache"—a French Apache dancing girl and an American heiress whose life has been ruined.

"Business Before Pleasure"

The forthcoming Eltinge Theatre, New York, production of "Business Before Pleasure" at the Shubert Murat Theatre, Indianapolis, for three days beginning Thursday, January 8, matinee Saturday, will arouse more than the customary interest, not only because of the play's sensational success in New York and Chicago, but because it will reintroduce in a new movement and in a new episode the two most interesting characters on the American stage—Abe Potash and Mayruss Perlmutter, the erstwhile cloak and suit heroes, now funnier than ever as "illum" magnates. "Business Before Pleasure" is the third of the notable classics in which these two unique characters have appeared. The new comedy, which will be seen at this theatre, is under the direction of A. M. Woods, who founded the theatrical firm of Potash and Perlmutter and is the work of Montague Glass, who created the characters and Jules Eckert Goodman, the noted playwright. "Business Before Pleasure" is in three acts and four scenes, most of the action taking place in the office and projecting room of the newly organized Potash and Perlmutter Film Co. Jules Jordan and Harry First will be seen in the principal roles.

Tickets for the above attraction may be purchased from Hargrove and Mullin who are the Shubert Murat theatre's personal representatives in this city.

The Blackford County Farmers' Association is putting its program of work for the ensuing year in co-operation with the county agent. At every township meeting a chart is made for every farmer's name and address and it is so arranged that when this is put down, record is made of his major farming business. In this way the association soon will learn the principal agricultural problems of the county and can go to work solving these.

Our Daily Laugh

New and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

Cranberry Creek ran for a mile or so near the State Insane Asylum and at the big eddy curled within ten feet of the asylum wall. Hoskins, an inveterate angler, was fishing there late one August afternoon when an inmate popped his head over the wall and called down to Hoskins:

"Well, how's the swimming?"
"I'm not swimming. I'm fishing," said Hoskins, trying to humor the unfortunate inmate.

"Zat so? Caught any?"
"Nope! None!"
"How long you been fishing?"
"Since early this morning." The inmate laughed quite merrily and then said:

"Had any bites?"
"Nope," said Hoskins.
"What? Fishing all day and not even a bite? Say come on on."

CASH PRIZE OFFER: A prize of \$1.00 will be awarded each contributor of a joke to OUR DAILY LAUGH which we accept. Only new jokes, those never before published, are considered. County Agent Detrick Prepares Table on Fertilizer Compounds

Farmer Should Purchase Fertilizer Which the Ground Needs and Not The Cheapest Per Ton, He Says—Table is Explained.

The problem of soil fertility is one of the pressing problems before the farmers today. To the thousands who have found it desirable to purchase plant food in the form of commercial fertilizer this problem is presented in a forceful way twice each year. It has been estimated by E. G. Prink, State Chemist, that over \$800,000,000 could have been saved in 1918 if farmers had purchased high grade fertilizer.

The tendency is to buy the materials that costs least per ton, but it is generally true the goods that costs least per ton carry less plant food for the amount of money invested than the materials that cost more per ton. The tabulation below bears out this fact.

The Experiment Stations have classified fertilizer into three general classes on the basis of the amount of plant food contained. Those con-

taining 14 percent or more, are called high grade; those containing 12 percent to 14 percent medium grade; and those containing less than 12 percent low grade.

A "Half and Half" brand containing 10 percent of available and 10 percent insoluble phosphoric acid would be considered low grade for only available plant food is considered.

Since acid phosphate is contained in all fertilizers containing available phosphoric acid, the cost per unit (20 pounds) of phosphoric acid will be figured on the basis of phosphoric acid in 16 percent acid phosphate which manufacturers are quoting at \$28.25 F. O. B. your station. On this basis the phosphoric acid would cost 28.25 divided by 16 equals \$1.763 the cost of each percent or each unit of phosphoric acid. For the sake of removing decimals we will say \$1.77 per unit. A unit is one per cent of 2000 pounds, or 20 pounds. A fertilizer is usually quoted as 1-8-2 for example, meaning 1 per cent of nitrogen, 8 percent of phosphoric acid and 2 percent of potash.

Formula	Price	Cost of Nitrogen	Cost of Phos. Acid	Cost of Potash
0-16-0	\$26.25	---	\$1.77	---
0-14-0	26.75	---	1.91	---
0-10-2	33.50	---	1.77	\$7.90
0-10-5	42.50	---	1.77	4.91
0-12-2	35.25	---	1.77	7.00
1-10-0	33.50	\$15.80	1.77	---
2-10-0	39.50	10.90	1.77	---
2-12-0	41.25	10.00	1.77	---
1-8-1	34.75	15.68	1.77	4.91
1-10-1	36.50	13.89	1.77	4.91
2-12-3	50.00	7.01	1.77	4.91
1-8-2	33.33	7.01	1.77	4.91
1-8-2	37.15	13.78	1.77	4.91

We find in the 0-10-2, in the 3rd row of figures that the 10 percent of phosphoric acid is worth 10 times \$1.77 equals \$17.70. This subtracted from the cost of the goods \$33.50 leaves \$15.80, the cost of the 2 percent of potash. If 2 percent cost \$15.80, each percent costs one half as much or \$7.90 shown in the fifth column.

Figuring the cost of the potash in the 0-10-5 which costs \$42.50 per ton and contains 3 more percent of plant food than the 0-10-2, we find that the potash costs \$4.81 per unit, or \$2.99 less per unit than in the 0-10-2 a medium grade of goods.

Comparing the 0-10-2 with the 0-12-2, we find that the potash in the latter costs 90 cents per unit less than in the former. There being two units or 2 percent of potash in the ton, the 0-12-2 would be \$1.80 per ton cheaper than the 0-10-2.

The same relationship is found to hold true in the fertilizers containing nitrogen as in the case of the 1-10-0, 2-10-0 and 2-12-0. The higher the total percent of nitrogen, phosphoric acid and potash the lower the cost of the materials added to the phosphoric acid, when the cost of the phosphoric acid remains constant.

The last three rows of figures in the tabulation also contains some interesting facts.

The 2-12-3 goods costs \$50.00 per ton which seems high, but let us make a comparison: A 1-8-2 good cost \$37.15 per ton and is used extensively. Now two-thirds of a ton of 2-12-3 goods contains the same amount of phosphoric acid and potash and 6-7 pounds more nitrogen than a ton of the 1-8-2. Two-thirds of a ton of the 2-12-3 goods would cost \$33.33 or \$4.42 less than a ton of 1-8-2. If the

2-12-3 goods is given credit for the other 6-7 pounds of nitrogen at 35 cents per pound the plant food obtained in the high grade fertilizer will be bought or \$6.76 less money than in the 1-8-2.

It is evident then that if one had planned to use 300 pounds per acre of 1-8-2, he would save money by applying 200 pounds of the high grade more expensive material, and have a little more plant food.

Besides one has to handle 607 pounds less fertilizer to get the same plant food.

If a 1-8-2 goods were mixed from nitrate of soda, acid phosphate and muriate of potash the materials would weigh 1214 pounds necessitating the addition of 786 pounds of sand, peat soil or other worthless material for which it would cost \$1.74 to buy the sacks alone. In addition freight, commission, etc., must be paid on this filler.

If the same materials are used in the 2-12-3, only 114 pounds of filler are required to make a ton.

The prices used in these figures are the prevailing wholesale prices subject to 7 percent discount for cash.

The conclusions to be drawn then are these:—A high grade fertilizer furnishes plant food at a much lower cost per unit than do the medium or low grades. The same amount of plant food may be obtained in much less bulk in the high grade goods.

Ask for a fertilizer that contains at least 14 percent of plant food.

WANT THE BEST RESULTS

ALUMNI TEAM IS DEFEATED

Milroy High School Wins Friday Night by Score of 33 to 18

The Milroy high school basketball team defeated the alumni team last night in Milroy by the score of 33 to 18. The former high school players were not able to break up the passes and fast floor work of the high school team. Milroy will play its third straight game this week tonight, when they meet the team from Sandusky. The Decatur county five is fast and will no doubt give the Milroy quintet a good game, but it will be hard for them to break the winning streak which the Milroy team now is having.

Miss Lavienna Compton is very ill at her home in West 3d street, suffering from a case of the measles.

NOTICE

FOR THE IMPROVEMENT OF A HIGHWAY IN ANDERSON TOWNSHIP, RUSH COUNTY, INDIANA.

Notice is hereby given that a petition has been filed in the office of the undersigned, Auditor of Rush County, Indiana, for the grading, draining and paving of a certain highway in Anderson Township, Rush County, Indiana, which is in the words and figures as follows, to-wit:

TO THE HONORABLE BOARD OF COMMISSIONERS, RUSH COUNTY, INDIANA.

The undersigned petitioners respectfully represent to your honorable board that this petition is signed by at least fifty freeholders and voters of Anderson Township, Rush County, Indiana; that there is an existing public highway in said township described as follows:

Beginning at the southwest corner of Section 25, Township 12 north, Range 9 east and running thence north on the line dividing said Section 25 and Section 26 in said township and range to the northeast corner of said Section 25; thence east with the line dividing said Section 25 from Section 21, said township and range to the northeast corner of said Section 25, where the same joins the existing free gravel or macadam road.

Your petitioners respectfully petition that said highway be improved by grading, draining and paving the same with crushed stone, said stone to be with the same width as the same, and that all necessary drains, side drains, bridges, culverts and sewer tile therein be so constructed as to properly drain and protect said road when so constructed.

Said petitioners further show that said Anderson Township has no incorporated town within it, neither has it a city within its border, and that said road will not pass into or through any incorporated town or city; that said road at its beginning connects with the south line of said Anderson Township and at its terminus with an existing free gravel or macadam road.

Said petitioners further show that said road is not more than three miles in length, but is, in fact about two miles in length and that a United States mail route passes over the entire length thereof and that the township school bus route passes over the same.

Wherefore, your petitioners ask that said highway be improved by grading, draining and paved as hereinbefore described.

Respectfully submitted,
John Cameron, Roy Tonney, Enoch Spurgeon, Elmer Spurgeon, W. E. Martin, Reuben Parlow, J. T. Kinnert, W. A. Smith, I. N. Seright, A. C. Fleetwood, A. D. Morgan, Rush W. Tompkins, J. A. Root, D. F. Jackson, L. M. Carr, John Jackson, Samuel W. Matthews, Frank McCorkle, Leo Hume, Daniel Power, Samuel Darnell, F. M. Critter, E. J. Power, J. M. Brooks, Joseph Green, J. W. Hyatt, James Meyers, C. C. Brown, Ben Smith, Charles E. Morris.

Said petition will be presented to the Board of Commissioners of Rush County, on Saturday, the 24th day of Jan., 1926.

W. H. McMillen,
Auditor of Rush County.
Samuel E. Parlow, Atty. for Petitioners.
Jan 3-16

THE UNIVERSAL CAR

Don't Depend on Spring Deliveries

Spring deliveries of Ford cars have never been certain, and they should not be depended upon. Demand has always been greater for Ford cars than the supply or production. So, if you would be sure of having a Ford car, buy it now while deliveries are possible. Don't wait—even next month is an uncertainty.

Only a limited, specified number of cars has been allotted to this territory. That allotment cannot be increased, because the demand all over the country is greater than the supply or production. Get your order in now, and you will be one of those who is sure of a Ford car out of our allotment.

It's first come—first served. All orders are filled in rotation. So, if you would be forehanded, if you would be certain of having a Ford car when you want it—then you will buy a Ford car now. A signed order with us is your protection. It is the result of the wisdom of looking ahead.

If you buy a Ford car now, don't think you have to "store" it. The Ford is a car made to serve its owner for business or pleasure throughout the entire year. Ford owners have long since come to recognize the fact. It is no longer popular to "lay-up" your car for the winter. Buy a Ford car now, and use it now.

Biddy's Industry Usurped

Muncie, Ind., Jan. 3.—Biddy's main industry—the propagation of her feathered flock—is being usurped in Delaware county.

A huge incubator has been installed by a local firm which intends to increase the fowl population of the county by 3,000 weekly. The incubator is heated by water and by kerosene lamps. It has a capacity of 10,600 eggs.

NOTICE OF ADMINISTRATION.

Notice is hereby given that the undersigned has been appointed by the Judge of the Circuit Court of Rush County, State of Indiana, executor of the estate of Washington Farlow, late of said county, deceased.

Said estate is supposed to be solvent.

NATHAN R. FARLOW.

For a Pain around the Heart after Eating.

TAKE

PEPSINCO

Sometimes in front just under the heart, sometimes around under the left side, under the ribs behind the heart it's a sharp or acute pains; sometimes a dull heavy pain, leaving soreness. It's gas on the inside generated through gaseous foods, or, because of systematic inability to properly assimilate the food, this gas soon collecting, forms a lump that causes the pain. This is only one of a dozen different indications of indigestion which PEP-SINCO immediately relieves. Keep PEP-SINCO handy and take it the next time.

Ask your Druggist—he will recommend Pepsinco.

PUBLIC SALE

We, the undersigned, will offer at public auction, at what is known as the Ora-Hite farm, 4 1/2 miles north of Clarksburg and 4 miles south of New Salem, on

Tuesday, January 20th, 1926

Sale to be held under tent rain or shine.

BEGINNING AT 10:00 A. M., the following:

7 HEAD OF HORSES—1 black mare, coming 5 years old, sound, good puller, weight about 1300 pounds; 2 black geldings, sound, 10 years old, weight about 2800 pounds, good pullers; 1 bay mare, 7 years old, sound, weight 1250 pounds, good farm mare; 1 bay gelding, 10 years old, sound, weight 1400 pounds, extra good puller; 1 bay mare, smooth mouth, good driving mare, 1 bay gelding, coming 4 years old, sound, good driver.

5 HEAD OF CATTLE—1 roan Shorthorn cow, 5 years old, giving about 2 gallons of milk, will freshen in April; 1 red Shorthorn cow, 5 years old, giving about 3 gallons of milk; 1 Jersey cow, 4 years old, giving about 2 gallons of milk, will freshen in March. These cows are all good ones for calves and butter. 2 extra good, weanling Shorthorn steer calves.

42 HEAD OF HOGS—5 Big Type Poland sows to farrow in March; 6 Big Type Poland gilts to farrow in March; 1 spring Big Type Poland male hog, registered. 30 feeding shoats, ranging from 50 to 125 pounds.

13 HEAD OF SHEEP—12 head of ewes and 1 Shropshire buck.

1000 Bushels of Good Corn — 100 Bushels of Oats — 5 Tons of Hay—Oats and Timothy

FARM TOOLS—2 farm wagons, one complete with flat bed and hog rack, 1 Oliver riding break plow 14 in., one 14-inch walking break plow, 1 spike-tooth harrow, 1 roller, 1 Gale corn planter, 1 Osborne mower, good as new, 1 Sattley corn plow, 1 National corn plow, good as new, 1 one-horse hoe, wheat drill, new, 1 one-horse Dowagiac disc wheat drill, new, 1 gravel bed, work harness for 4 horses, collars, bridles and lines. 150 egg incubator.

TERMS—All sums of \$25.00 and under, cash; on above that amount a credit without interest until September 1st will be given. Purchaser to execute note that meets the approval of cashier. All settlement to be made with him. A discount of 3 per cent to be given for cash. Nothing to be removed until settled for.

SMOKE WINGERTER'S FAIR PROMISE CIGAR

Mr. and Mrs. George Murphy had as their New Year's dinner guests Mr. and Mrs. Harry Mull, living southwest of the city.

Miss Hannah Morris will entertain the members of the Tri Kappa sorority Monday evening at her home in East Fifth street.

The Woman's Council will meet Monday evening at 7:30 o'clock in the Callahan store in East Second street. All members are urged to be present.

Mrs. Stephen Kelley entertained with three tables of euchre Thursday afternoon at her home in North Harrison street. Refreshments were served during the afternoon.

The members of the Coterie will meet with Mrs. Harvey Allen Monday afternoon at her home in East Seventh street. As this is the first meeting of the new year all members are urged to be present.

Mr. and Mrs. Will Goddard had as their dinner guests New Year's day Mr. and Mrs. Ed Lowden, Mr. and Mrs. Cliff Stevens, the Rev. and Mrs. Talmage Defrees, Hubert Stevens, Waldo Stevens and Albert Goddard.

Mrs. Bert Mullin was hostess for the members of the Thursday Afternoon Card Club yesterday afternoon at her home in North Perkins street. The guests enjoyed the hours playing Bridge and at the close of the games dainty refreshments were served.

Mr. and Mrs. Arie Colestock, living southeast of the city, were completely surprised Wednesday evening when about fifty neighbors and friends came in on them with well filled baskets, the affair being in the form of a miscellaneous shower.

Mr. and Mrs. Colestock were recently married.

Mr. and Mrs. O. A. Maple entertained with a New Year's dinner at their home in West Eighth street, the following guests: Mr. and Mrs. George Brown and sons James, Charles and Joseph, Mr. and Mrs. Herschell Gregory and daughter Lilham, and Mr. and Mrs. Leonard Pate and daughter Thelma.

The announcement of the wedding of Miss Flossie M. Love, daughter of Mr. and Mrs. William C. Love of Morristown, to William C. Coon of this county, has been announced. The ceremony was performed November 29, 1919 in Louisville, Ky. The announcement comes as a surprise to their friends in this county.

A delightful surprise was given to about 50 guests Thursday evening when they assembled at the home of Leslie Trobaugh in West Fifth street by his request, as, in the course of the evening he announced his marriage to Mrs. Joseph Mattox on December 31st. Mr. and Mrs. Trobaugh served refreshments later in the evening, after the surprise of their marriage had been given.

Mr. and Mrs. Louis Mauzy entertained several guests at Bridge last night, complimentary to Mrs. Mauzy's house guest, Miss Ruth Collins of Chicago. Among the guests were Miss Mary Vermillion

of Anderson, Miss Ruth Slayback of Hamilton, Mrs. Harriet Ingram of Cedar Rapids, Iowa, William Henley of Madison and Luther Haydon of Lexington, Ky. Refreshments were served during the evening.

Miss Marguerite Wolecott entertained with a one o'clock luncheon yesterday afternoon at her home in North Harrison street, honoring Mrs. Russel B. Kirkpatrick, a recent bride, and Miss Norma Sutton of Indianapolis. Covers were laid for twenty-five guests, the places being marked by pretty cards tied to miniature Christmas trees. Red candles also was used in the decorations of the table. Among the guests were Miss Ruth Collins of Chicago, house guest of Mrs. Louis Mauzy, and Miss Ruth Slayback of Hamilton, O., the guest of Miss Helen Seuder.

Mrs. Florence Duke was a charming hostess New Year's day when a three-course turkey dinner was served at her home in West Second street. The table was tastefully decorated in holiday colors and covers were laid for Mr. and Mrs. William Knecht, Sr., Mr. and Mrs. W. E. Chance, Mr. and Mrs. Andrew Pea and son Eugene, Mr. and Mrs. John Knecht and daughter Thelma, Mrs. Alva Webb, Mrs. Mary Oakley, Mrs. Ethel Knecht, Miss Thelma Dunbeck of Anderson, Miss Hattie Emmons, Charles Cecil of High Point, North Carolina, Loren Woods, John Mazingo and William Knecht, Jr.

Mr. and Mrs. Charles Schroth, the latter a daughter of Mr. and Mrs. Z. E. Mauzy, formerly of Rushville, gave an elaborate Christmas dinner at their home in San Francisco, according to word received here. The guests were Mr. and Mrs. Z. E. Mauzy, Mrs. Ivy Kennedy, Mrs. Alma Sherman and son, Mr. Jackson and Mr. and Mrs. Bert Moses. The decorations were especially beautiful, consisting largely of berries and foliage native to California, and were arranged by Miss Dorothy Louise Schroth and Charles Schroth, Jr. The guests were

nearly all old-time residents of Rushville, and at the table the conversation centered upon reminiscences of the old home town.

The members of the Inter Nos Club delightfully entertained their families on New Year's day with an elaborate turkey dinner at the home of Mr. and Mrs. Cyrus Willey southwest of the city. Cut glass vases of La France roses and ferns decorated the two long tables in the dining room and tiny gold New Year bells were given as favors to each guest. Music, dancing and games provided enjoyable entertainment for the afternoon. Those present were Mr. and Mrs. Cyrus Willey, daughter Miss Violet and son Basil, Mr. and Mrs. Jacob Brown, Mr. and Mrs. Oliver Fletcher, Mr. and Mrs. Oscar Miller, Mr. and Mrs. Claude Fletcher and son Francis, Mr. and Mrs. William Hillgoss, Mr. and Mrs. Byron Gates, Mr. and Mrs. Oscar Williams and son Stanley, Mr. and Mrs. Albert Updike, Mr. and Mrs. Lora Miller and daughter Miss Landa, Mr. and Mrs. Alba Cassidy and son Frank, Conrad Posz and daughters Ethel and Julia, Mr. and Mrs. Ernest Corrie, Mr. and Mrs. Frank Fletcher, Mr. and Mrs. Capp Miller and son and Mr. and Mrs. George Westerfield.

London—Herbert Shiner, formerly a London policeman, who was promoted to Brigadier-General, besides earning the D. S. O. and M. C. has finally resigned from the police in order to take permanent rank in the army.

Jades 'Round The Neck Are Popular

By MARGARET ROHE

(Written for United Press.)

Poor Percy though "Sweets to the sweet"

A brilliant thing to say

When he sent Xmas day

A strand of green and lovely beads

To Sue, but I'm afraid

The friendship ne'er will be the same

He wrote "Jades to a jade".

New York, Jan. 3.—Christmas greens have only just disappeared from our midst but their memory is still kept green in the gleam of jade for there was scarcely a smart Xmas stocking this year that did not divulge a gift of this Chinese stone among its offerings.

In fact a perfect jade craze is now on among fair frail followers of Fashion and lapidaries are reaping a golden harvest where they sow green stones. To be sure after the purchase of even the minutest charm in this precious stuff one's pocket book looks jaded but I doubt if even a boulder would make a bigger hit when cast at the feet of a lady fair.

Ropes of graduated jade beads add just the right touch of color to a costume and more ornate necklaces of quaint uneven bits of the jade combined with pearls and Chinese carved yellow gold and finished with either tassels of pearls and gold or carved charms of jade beads are strong effective. Often the jade beads are strung on silken cord of green in a darker shade knotted between the beads.

A carved jade charm dangling alone on a cord of silk hangs 'round many an attractive throat and is something to hang on to not only for its beauty but for guarantee against evil spirits and evil eyes.

All sorts of members of the animal kingdom are done in jade—dogs, elephants, and monkeys climbing on a stick. The square carved anklets are really the most stunning.

and lucky indeed are the ears from which a pair of these carved squares dangle when converted into earrings. They are quite enough to make all beholders turn green as the jade itself with every envy.

The disk of jade with a hole in the middle like Salvation Army doughnut is another effective design or both earrings or charms and when mounted on a lengthy pin it serves to pierce a smart chapeau with such all-around perfection its no wonder the wearer is attracted to it.

Bracelets, of jade, plain or carved or combined with yellow gold circle wrists or arms above the elbow or else little jade charms and animals clinging desperately to slender wrist of platinum or gold.

WOMEN BRAVER THAN MEN

Women often do their daily tasks in home, office or factory while suffering pain and misery that would put a man in bed. However, much of women's suffering can be alleviated. Backache, sore muscles, stiff joints, rheumatic pains, dizziness and like symptoms are caused by disordered kidneys and bladder. Mrs. Thos. Davis, Montgomery, Ind., writes: "I doctored several months without relief, when I commenced using Foley Kidney Pills, and got relief. Eight bottles cured me." Safe, harmless; quick results. F. B. Johnson, Adv. 8

County Agent Detrick Prepares Table on Fertilizer Compounds

Farmer Should Purchase Fertilizer Which the Ground Needs and Not The Cheapest Per Ton. He Says — Table is Explained.

The problem of soil fertility is one of the pressing problems before the farmers today. To the thousands who have found it desirable to purchase plant food in the form of commercial fertilizer this problem is presented in a forceful way twice each year. It has been estimated by E. G. Prinx, State Chemist, that over \$800,000,000 could have been saved in 1918 if farmers had purchased high grade fertilizer.

The tendency is to buy the materials that costs least per ton, but it is generally true the goods that costs least per ton carry less plant food for the amount of money invested than the materials that cost more per ton. The tabulation below bears out this fact.

The Experiment Stations have classified fertilizer into three general classes on the basis of the amount of plant food contained. Those con-

taining 14 percent or more, are called high grade; those containing 12 percent to 14 percent medium grade; and those containing less than 12 percent low grade.

A "Half and Half" brand containing 10 percent of available acid 10 percent insoluble phosphoric acid would be considered low grade for only available plant food is considered.

Since acid phosphate is contained in all fertilizers containing available phosphoric acid, the cost per unit (20 pounds) of phosphoric acid will be figured on the basis of phosphoric acid in 16 percent acid phosphate which manufacturers are quoting at \$28.25 F. O. B. your station. On this basis the phosphoric acid would cost 28.25 divided by 16 equals \$1.763 the cost of each percent or each unit of phosphoric acid. For the sake of removing decimals we will say \$1.77 per unit. A unit is one per cent of 2000 pounds, or 20 pounds. A fertilizer is usually quoted as 1-8-2 for example, meaning 1 per cent of nitrogen, 8 percent of phosphoric acid and 2 percent of potash.

Formula	Price	Cost of Nitrogen	Cost of Phos. Acid	Cost of Potash
0-16-0	\$28.25	-----	\$1.77	-----
0-14-0	26.75	-----	1.91	-----
0-10-2	33.50	-----	1.77	\$7.90
0-10-5	42.50	-----	1.77	4.91
0-12-2	35.25	-----	1.77	7.00
1-10-0	33.50	\$15.80	1.77	-----
2-10-0	39.50	10.90	1.77	-----
2-12-0	41.25	10.00	1.77	-----
1-8-1	34.75	15.68	1.77	4.91
1-10-1	36.50	13.89	1.77	4.91
2-12-3	50.00	7.01	1.77	4.91
13-8-2	33.33	7.01	1.77	4.91
1-8-2	37.75	12.76	1.77	4.91

We find in the 0-10-2, in the 3rd row of figures that the 10 percent of phosphoric acid is worth 10 times \$1.77 equals \$17.70. This subtracted from the cost of the goods \$33.50 leaves \$15.80, the cost of the 2 percent of potash. If 2 percent cost \$15.80, each percent costs one half as much or \$7.90 shown in the fifth column.

Figuring the cost of the potash in the 0-10-5 which costs \$42.50 per ton and contains 3 more percent of plant food than the 0-10-2, we find that the potash costs \$4.81 per unit, or \$2.99 less per unit than in the 0-10-2 a medium grade of goods.

Comparing the 0-10-2 with the 0-12-2, we find that the potash in the latter costs 90 cents per unit less than in the former. There being two units or 2 percent of potash in the ton, the 0-12-2 would be \$1.80 per ton cheaper than the 0-10-2.

The same relationship is found to hold true in the fertilizers containing nitrogen as in the case of the 1-10-0, 2-10-0 and 2-12-0. The higher the total percent of nitrogen, phosphoric acid and potash the lower the cost of the materials added to the phosphoric acid, when the cost of the phosphoric acid remains constant.

The last three rows of figures in the tabulation also contains some interesting facts.

The 2-12-3 goods costs \$50.00 per ton which seems high, but let us make a comparison; A 1-8-2 good cost \$37.75 per ton and is used extensively. Now two-thirds of a ton of 2-12-3 goods, contains the same amount of phosphoric acid and potash and 6 2/3 pounds more nitrogen than a ton of the 1-8-2. Two-thirds of a ton of the 2-12-3 goods would cost \$33.33 or \$4.32 less than a ton of 1-8-2 if the

2-12-3 goods is given credit for the other 6 2/3 pounds of nitrogen at 35 cents per pound the plant food obtained in the high grade fertilizer will be bought or \$6.76 less money than in the 1-8-2.

It is evident then that if one had planned to use 300 pounds per acre of 1-8-2, he would save money by applying 200 pounds of the high grade more expensive material, and have a little more plant food.

Besides one has to handle 667 pounds less fertilizer to get the same plant food.

If a 1-8-2 goods were mixed from nitrate of soda, acid phosphate and muriate of potash the materials would weigh 1214 pounds necessitating the addition of 786 pounds of sand, peat soil or other worthless material for which it would cost \$1.74 to buy the sacks alone. In addition freight, commission, etc., must be paid on this filler.

If the same materials are used in the 2-12-3, only 114 pounds of filler are required to make a ton.

The prices used in these figures are the prevailing wholesale prices subject to 7 percent discount for cash.

The conclusions to be drawn then are these: A high grade fertilizer furnishes plant food at a much lower cost per unit than do the medium or low grades. The same amount of plant food may be obtained in much less bulk in the high grade goods.

Ask for a fertilizer that contains at least 14 percent of plant food.

ALUMNI TEAM IS DEFEATED

Milroy High School Wins Friday Night by Score of 33 to 18

The Milroy high school basketball team defeated the alumni team last night in Milroy by the score of 33 to 18. The former high school players were not able to break up the passes and fast floor work of the high school team. Milroy will play its third straight game this week tonight, when they meet the team from Sandusky. The Desatur county five is fast and will no doubt give the Milroy quintet a good game, but it will be hard for them to break the winning streak which the Milroy team now is having.

Miss Lavienna Compton is very ill at her home in West 3d street, suffering from a case of the measles.

NOTICE

FOR THE IMPROVEMENT OF A HIGHWAY IN ANDERSON TOWNSHIP, RUSH COUNTY, INDIANA.

Notice is hereby given that a petition has been filed in the office of the undersigned, Auditor of Rush County, Indiana, for the grading, draining and paving of a certain highway in Anderson Township, Rush County, Indiana, which is in the words and figures as follows, to-wit: State of Indiana, Rush County, ss. TO THE HONORABLE BOARD OF COMMISSIONERS, RUSH COUNTY, INDIANA.

The undersigned petitioners respectfully represent to your honorable board, that this petition is signed by at least fifty freeholders and voters of Anderson Township, Rush County, Indiana; that there is an existing public highway in said township described as follows: Beginning at the southwest corner of Section 25, Township 13 North, Range 3 East, and running thence north on the line dividing said Section 25 and Section 26 in said township and range to the northwest corner of said Section 25; thence east on the line dividing said Section 25 from Section 24, said township and range to the northeast corner of said Section 25, where the same joins the existing free gravel or macadam road.

Said petitioners respectfully petition that said highway be improved by grading, draining and paving the same with crushed stone, and stone to be what known as "white stone" or its equivalent and that said highway be constructed in such manner as to make what is known as water bound macadam, pike and that said highway remain the same width as the same now is; that all necessary drains, side drains, bridges, culverts and sewer line therein be so constructed as to properly drain and protect said road when so constructed.

Said petitioners further show that said Anderson Township has no incorporated town within it, neither has it a city within its borders, and that said road will not pass into or through any incorporated town or city; that said road at its beginning connects with the south line of said Anderson Township and at its terminus with an existing free gravel or macadam road.

Said petitioners further show that said road is not more than three miles in length, but is in fact about two miles in length and that said States real estate and public lands over the entire length thereof and that the township school back route passes over the same.

Wherefore, your petitioners ask that said highway be improved, graded, drained and paved as hereinbefore described.

Respectfully submitted, John Cameron, Roy Torres, Enoch Seay, Elmer Spurgeon, W. B. Martin, Reuben Farlow, J. T. Kinnett, Wm. A. Smith, L. N. Seright, A. G. Fleetwood, A. D. Morgan, Rush W. Tompkins, J. A. Root, F. E. Jackson, L. W. Carr, John Jackman, Samuel W. Matthews, Frank McCormick, Lee Hume, Daniel Power, Samuel Darnell, F. M. Criteer, E. J. Power, J. M. Brooks, Joseph Green, J. W. Hyatt, James Meyer, J. G. Brooks, J. W. Fleetwood, C. H. Stewart, F. O. Hillis, J. D. Kinnett, Monroe Goshen, J. W. Anderson, H. L. Parson, Samuel T. Overlee, Thos. E. Rottorf, E. F. Tompkins, Rush Sparks, Wm. Tuley, Bert Spurgeon, Roy Shelhorn, R. M. Farlow, George Power, C. T. Davis, James Cooksey, N. H. Amburn, John A. Smith, Eph. Buell, W. C. Easton, R. C. Kessner, W. C. Fitch, Allen Jackson, Ira J. Somerville, P. M. Witters, Chas. E. Houghland, Edgar Thomas, R. L. Foster, Jno. E. Booth, J. H. McCormick, Adolphus Jones, Edward J. Jones, J. S. Michael, W. M. Lampton, Walter Mansfield, E. P. Patton, Jesse T. Butler, Jas. H. Spilman, Harry Richey, William B. Crane, J. G. Hammond, Dayton Hunsicker, W. S. Menard, Grant Thomas, J. S. Michael, W. M. Bosley, Clarence E. Brown, Ben Smith, Charles E. Morris.

Said petition will be presented to the Board of Commissioners of Rush County, on Saturday, the 24th day of January, 1926.

W. H. McMillan, Auditor Rush County, Samuel L. Traben, Atty. for Petitioners.

Jan 3, 1926.

Notice is hereby given that the undersigned has been appointed by the Judge of the Circuit Court of Rush County, State of Indiana, executor of the estate of Washington Farlow, late of said county, deceased.

Said estate is supposed to be solvent. Said estate is supposed to be solvent. NATHAN R. FARLOW.

Jan. 2, 1926. Attest: Loren Martin, Clerk Rush Circuit Court. Douglas Morris, A. L. Gary, Attorneys. Jan 2-10-17

TAKE

PEPSINCO

Sometimes in front just under the heart, sometimes around under the left side, under the ribs behind the heart it's a sharp or acute pains, sometimes a dull heavy pain, leaving soreness. It's gas on the inside generated through gaseous foods, or because of systematic inability to properly assimilate the food, this gas soon collecting, forms a lump that causes the pain. This is only one of a dozen different indications of indigestion which PEPISCO immediately relieves. Keep PEPISCO handy and take it the next time.

Ask your druggist—he will recommend PEPISCO.

Don't Depend on Spring Deliveries

Spring deliveries of Ford cars have never been certain, and they should not be depended upon. Demand has always been greater for Ford cars than the supply or production. So, if you would be sure of having a Ford car, buy it now while deliveries are possible. Don't wait—even next month is an uncertainty.

Only a limited, specified number of cars has been allotted to this territory. That allotment cannot be increased, because the demand all over the country is greater than the supply or production. Get your order in now, and you will be one of those who is sure of a Ford car out of our allotment.

It's first come—first served. All orders are filled in rotation. So, if you would be forehanded, if you would be certain of having a Ford car when you want it—then you will buy a Ford car now. A signed order with us is your protection. It is the result of the wisdom of looking ahead.

If you buy a Ford car now, don't think you have to "store" it. The Ford is a car made to serve its owner for business or pleasure throughout the entire year. Ford owners have long since come to recognize the fact. It is no longer popular to "lay-up" your car for the winter. Buy a Ford car now, and use it now.

SMOKE WINGERTER'S FAIR PROMISE CIGAR

Mr. and Mrs. George Murphy had as their New Year's dinner guests Mr. and Mrs. Harry Mull, living southwest of the city.

Miss Hannah Morris will entertain the members of the Tri Kappa sorority Monday evening at her home in East Fifth street.

The Woman's Council will meet Monday evening at 7:30 o'clock in the Callahan store in East Second street. All members are urged to be present.

Mrs. Stephen Kelley entertained with three tables of enclure Thursday afternoon at her home in North Harrison street. Refreshments were served during the afternoon.

The members of the Coterie will meet with Mrs. Harvey Allen Monday afternoon at her home in East Seventh street. As this is the first meeting of the new year all members are urged to be present.

Mr. and Mrs. Will Goddard had as their dinner guests New Year's day Mr. and Mrs. Ed Lowden, Mr. and Mrs. Cliff Stevens, the Rev. and Mrs. Talmage Defrees, Hubert Stevens, Waldo Stevens and Albert Goddard.

Mrs. Bert Mullin was hostess for the members of the Thursday Afternoon Card Club yesterday afternoon at her home in North Perkins street. The guests enjoyed the hours playing Bridge and at the close of the games dainty refreshments were served.

Mr. and Mrs. Arie Colestock, living southeast of the city, were completely surprised Wednesday evening when about fifty neighbors and friends came in on them with well filled baskets, the affair being in the form of a miscellaneous shower.

Mr. and Mrs. Colestock were recently married.

Mr. and Mrs. O. A. Maple entertained with a New Year's dinner at their home in West Eighth street, the following guests: Mr. and Mrs. George Brown and sons James, Charles and Joseph, Mr. and Mrs. Herschell Gregory and daughter Lilham, and Mr. and Mrs. Leonard Pate and daughter Thelma.

The announcement of the wedding of Miss Flossie M. Love, daughter of Mr. and Mrs. William C. Love of Morristown, to William C. Coon of this county, has been announced. The ceremony was performed November 29, 1919 in Louisville, Ky. The announcement comes as a surprise to their friends in this county.

A delightful surprise was given to about 50 guests Thursday evening when they assembled at the home of Leslie Trobaugh in West Fifth street by his request, as in the course of the evening he announced his marriage to Mrs. Joseph Mattox on December 31st. Mr. and Mrs. Trobaugh served refreshments later in the evening, after the surprise of their marriage had been given.

Mr. and Mrs. Louis Manzy entertained several guests at Bridge last night, complimentary to Mrs. Manzy's house guest, Miss Ruth Collins of Chicago. Among the guests were Miss Mary Vermillion

of Anderson, Miss Ruth Slayback of Hamilton, Mrs. Alice Ingram of Cedar Rapids, Iowa, William Henley of Madison and Luther Haydon of Lexington, Ky. Refreshments were served during the evening.

Miss Marguerite Wolcott entertained with a one o'clock luncheon yesterday afternoon at her home in North Harrison street, honoring Mrs. Russell B. Kirkpatrick, a recent bride, and Miss Norma Sutton of Indianapolis. Covers were laid for twenty-five guests, the places being marked by pretty cards tied to miniature Christmas trees. Red candles also was used in the decorations of the table. Among the guests were Miss Ruth Collins of Chicago, house guest of Mrs. Louis Manzy, and Miss Ruth Slayback of Hamilton, O., the guest of Miss Helen Scudder.

Mrs. Florence Duke was a charming hostess New Year's day when a three-course turkey dinner was served at her home in West Second street. The table was tastefully decorated in holiday colors and covers were laid for Mr. and Mrs. William Knecht, Sr., Mr. and Mrs. W. E. Chance, Mr. and Mrs. Andrew Pea and son Eugene, Mr. and Mrs. John Knecht and daughter Thelma, Mrs. Alva Webb, Mrs. Mary Oakley, Mrs. Ethel Knecht, Miss Thelma Dunbeck of Anderson, Miss Hattie Emmons, Charles Cecil of High Point, North Carolina, Loren Woods, John Mazingo and William Knecht, Jr.

Mr. and Mrs. Charles Schroth, the latter a daughter of Mr. and Mrs. Z. E. Manzy, formerly of Rushville, gave an elaborate Christmas dinner at their home in San Francisco, according to word received here. The guests were Mr. and Mrs. Z. E. Manzy, Mrs. Ivy Kennedy, Mrs. Alma Sherman and son, Mr. Jackson and Mr. and Mrs. Bert Moses. The decorations were especially beautiful, consisting largely of berries and foliage native to California, and were arranged by Miss Dorothy Louise Schroth and Charles Schroth, Jr. The guests were

nearly all old-time residents of Rushville, and at the table the conversation centered upon reminiscences of the old home town.

The members of the Inter Nos Club delightfully entertained their families on New Year's day with an elaborate turkey dinner at the home of Mr. and Mrs. Cyrus Willey, southwest of the city. Cut glass vases of La France roses and ferns decorated the two long tables in the dining room and tiny gold New Year bells were given as favors to each guest. Music, dancing and games provided enjoyable entertainment for the afternoon. Those present were Mr. and Mrs. Cyrus Willey, daughter Miss Violet and son Basil, Mr. and Mrs. Jacob Brown, Mr. and Mrs. Oliver Fletcher, Mr. and Mrs. Oscar Miller, Mr. and Mrs. Claude Fletcher, a nil son Francis, Mr. and Mrs. William Hilligoss, Mr. and Mrs. Byron Gates, Mr. and Mrs. Oscar Williams and son Stanley, Mr. and Mrs. Albert Updike, Mr. and Mrs. Lora Miller and daughter Miss Loretta, Mr. and Mrs. Alva Cassidy and son Frank, Conrad Posz and daughters Ethel and Julia, Mr. and Mrs. Ernest Corrie, Mr. and Mrs. Frank Fletcher, Mr. and Mrs. Capp Miller and son and Mr. and Mrs. George Westerfield.

London—Herbert Shiner, formerly a London policeman, who was promoted to Brigadier-General, besides earning the D. S. O. and M. C. has finally resigned from the police in order to take permanent rank in the army.

Jades 'Round The Neck Are Popular

By MARGARET ROHE
(Written for United Press.)

Poor Percy though "Sweets to the sweet"

A brilliant thing to say

And so to copy it he tried

When he sent Xmas day

A strand of green and lovely beads

To Sue, but I'm afraid

The friendship ne'er will be the same

He wrote "Jades to a jade"

New York, Jan. 3.—Christmas greens have only just disappeared from our midst but their memory is still kept green in the gleam of jade for there was scarcely a smart Xmas stocking this year that did not divulge a gift of this Chinese stone among its offerings.

In fact a perfect jade craze is now on among fair frail followers of Fashion and lapidaries are reaping a golden harvest where they sow green stones. To be sure after the purchase of even the minutest charm in this precious stuff one's pocket book looks jaded but I doubt if even a boulder would make a bigger hit when cast at the feet of a lady fair.

Ropes of graduated jade beads add just the right touch of color to a costume and more ornate necklaces of quaint uneven bits of the jade combined with pearls and Chinese carved yellow gold and finished with either tassels of pearls and gold or carved charms of jade beads are strung effective. Often the jade beads are strung on silken cord of green in a darker shade knotted between the beads.

A carved jade charm dangling alone on a cord of silk hangs 'round many an attractive throat and is something to hang on to not only for its beauty but for guarantee against evil spirits and evil eyes.

All sorts of members of the animal kingdom are done in jade—dogs, elephants, and monkeys climbing on a stick. The square carved anklets are really the most stunning,

and lucky indeed are the ears from which a pair of these carved squares dangle when converted into earrings. They are quite enough to make all beholders turn green as the jade itself with every envy.

The disk of jade with a hole in the middle like Salvation Army doughnut is another effective design or both earrings or charms and when mounted on a lengthy pin it serves to pierce a smart chapeau with such all-around perfection its no wonder the wearer is attracted to it.

Bracelets, of jade, plain or carved or combined with yellow gold circle wrists or arms above the elbow or else little jade charms and animals eling desperately to slender wrist of platinum or gold.

WOMEN BRAVER THAN MEN

Women often do their daily tasks in home, office or factory while suffering pain and misery that would put a man in bed. However, much of women's suffering can be alleviated. Backache, sore muscles, stiff joints, rheumatic pains, dizziness and like symptoms are caused by disordered kidneys and bladder. Mrs. Thos. Davis, Montgomery, Ind., writes: "I doctored several months without relief, when I commenced using Foley Kidney Pills, and got relief. Eight bottles cured me." Safe, harmless; quick results. F. B. Johnson. Adv. 8

NOTICE

For Improvement of Highway in Orange Township, Rush County, Indiana

Notice is hereby given that a petition has been filed in my office for the grading and paving with crushed stone of a certain highway in Orange Township, Rush County, State of Indiana, which petition is signed by J. M. Goers, Conrad Hunt, et al., and in words and figures as follows, to-wit:

TO THE HONORABLE BOARD OF COMMISSIONERS OF RUSH COUNTY, STATE OF INDIANA.

We, the undersigned petitioners, more than fifty of whom are resident freeholders and voters of Orange Township, Rush County, Indiana, do hereby respectfully petition your Honorable Board, and pray that a certain public highway already established and situated in said Orange Township, Rush County, State of Indiana, be graded, drained and paved with crushed stone. The beginning corner, distance and terminal of said highway to be improved is described as follows: Beginning in the center of a public highway running east and west along the north line of Orange Township, Rush County, State of Indiana at or near the northeast corner of the east half (36) of the northeast quarter (34) of section thirty-six (36), Township thirteen (13), Range eight (8) east, Rush County, Indiana, running thence south over and along the public highway running thence the center of the east half of Section thirty-six (36), Township thirteen (13), Range eight (8) east, Rush County, Indiana, running thence south over and along the public highway dividing the east half and the west half of the northeast quarter (34) of Section one (1), Township twelve (12), Range eight (8) east, Rush County, Indiana, to a point in the half section line of Section one (1), Township twelve (12), Range eight (8) east, Rush County, Indiana, which said road intersects with the Free Gravel Road running east and west through the center of said Section one (1).

Your petitioners would further show that the road to be improved is less than three miles in length, being 1 1/2 miles in length, and that said highway to be improved connects at each end with a Free Gravel Road or Macadam Road. Life further shows that a United States mail route passes over said road, and that there is no town in said township of over 30,000 inhabitants. And your petitioners would further show that said road to be graded to the width of eighteen (18) feet, and that it be paved with crushed stone to the width of fourteen (14) feet, and to the depth of twelve (12) inches in the center, and six (6) inches at the sides throughout its entire length, except about six hundred (600) feet beginning about sixty (60) rods from the north end of said highway and running south about six hundred (600) feet which six hundred (600) feet should be built of concrete, and that said highway be thirty-two (32) feet, and we will ever pray.

A. M. GOERS, CONRAD HUNT, ET AL. Said petition will be presented to the Board of Commissioners of Rush County, Indiana, on the 27th day of January, 1920, at two o'clock p. m., the same being a day in regular session of the January term of said Board of Commissioners.

Witness my hand and seal of the Board of Commissioners this 2nd day of January, 1920.

WM. A. McMILLIN, Auditor Rush County.

NOTICE

For Improvement of Highway in Posey Township, Rush County, Indiana

Notice is hereby given that a petition has been filed in my office for the grading and paving with crushed stone and gravel of a certain highway in Posey Township, Rush County, State of Indiana, which petition is signed by John A. Nelson et al., and in words and figures as follows to-wit:

TO THE BOARD OF COMMISSIONERS OF RUSH COUNTY, STATE OF INDIANA.

We, the undersigned petitioners, fifty of whom being freeholders and voters of Posey Township, Rush County, State of Indiana, do hereby respectfully petition your Honorable Board, and pray that a certain public highway already established and being and being in Posey Township, Rush County, State of Indiana, be graded, drained and paved with broken stone with a top layer of gravel or gravel binder. Said township does not contain a city or city of 20,000 or more inhabitants.

The beginning corner, distance and terminal of said highway to be improved is described as follows to-wit: Beginning at the center of the public highway running north and south through the center of the northeast quarter of Section 16, Township 14 north, Range 8 east, thence west on the public highway

Knecht's Weather Man Says:

Greetings and Best Wishes for 1920

KNECHT'S O.P.C.H. Articles of Faith

We believe in ourselves.
We believe in the goods we sell
We believe when we make a sale of our goods we make a permanent friend.
We believe in the business which we have spent twelve of the best years of our lives in upbuilding.
We believe that the truth can be expressed by honest goods as well as by word of mouth.
We believe in doing business not for the gainful thing alone, but for the just and honest things—gainful if possible.
We believe in competitors, and we have a bunch of them, for they develop our resources, sharpen our wits and keep us from becoming dead to the world.
We believe our business of selling wearing apparel of proved excellence for men and young men has been an unqualified success.
We believe in doing business with our customers so that it will be a pleasure as well as a profit to both of us.
We believe in advertising honest merchandise with an honest purpose in view.
We believe the only way to lasting success in business is being honest and truthful with the public.
We believe in marking our goods at the right "Price" the first time we mark them; not marking them up so as to be able to give from one-quarter to one-half off later on.
We believe if you are "square" with the people, the people will be square with you, and we have lived up to our belief.
Hence the success of "Knecht's O. P. C. H."

MARINES DISCOVER
SOMETHING CHEAPER

Discovery is Made When Officers Go
to Buy Overcoats Which are Minus
The Embroidery

\$15 SAVED ON EACH GARMENT.

Washington, Jan. 2.—Whoopie? There is at least one thing in the world that is cheaper than it used to be.

Officers of the United States Marine Corps made this wonderful discovery today, and all along the Atlantic and Pacific coasts in "the Islands", in China and aboard the ships at sea, they sent up a shout of joy.

This is how it happened. The design and cut of the official Marine officers' overcoat has been changed—and the changes make it cheaper!

The new overcoat will be much shorter than the old "heel-tickler" now worn. It will have an open neck with roll lapels, and the elaborate and expensive sleeve braid will be eliminated.

This braid alone added about six dollars to the cost of a second lieutenant's coat, and general had to lay out at least eighteen good "iron men" for his embroidery. The cost of the new coat will average easily fifteen dollars less.

The First Installment of Taxes must be paid on or before the
FIRST MONDAY IN MAY, 1920

or both installments will become delinquent and subject to a penalty.

The Second Installment must be paid on or before the
FIRST MONDAY IN NOVEMBER, 1920

No tax receipts will be held out until taxes are paid in full.

Extracts From the Statutes of Indiana.

That each person or taxpayer charged with taxes on a duplicate in the hands of a County Treasurer may pay the full amount of such taxes on or before the first Monday in May, or may at his option pay one-half thereof on or before the first Monday in May, and the remaining half on or before the first Monday in November, in the manner prescribed by law. All taxes to be added to the first installment.

When the first installment is not paid prior to the first Monday in May, the taxes for the whole year become delinquent. The Treasurer will not be responsible for the penalty and charges on Delinquent Taxes resulting from any omission of the person paying to state definitely on what property, in whose name and in what township or corporation it was assessed.

Persons owing Delinquent Taxes should pay them at once. The late law is of such character that there is no option left the Treasurer but to enforce the collection of delinquent taxes, however much he may regret to collect the same, by sale of property.

The owner of the property on the first day of March in any year, shall be liable for the payment of all taxes of that year. The purchaser of property on the first day of March shall be considered as owner on that day. Sec. 102.

All property, both personal and real, situated in any county, shall be liable for the taxes, penalties, interests, and costs to the owners thereof, in such county, and no partial payment of such taxes, penalties, interests or costs shall discharge or release any part or portion of such property until the whole is paid, which lien shall in no wise be affected or destroyed by any sale or transfer of any such personal property. Sec. 104, R. S.

The Treasurer has no option in rebating the penalty on taxes allowed to go delinquent. No County Order will be paid to persons owing delinquent taxes and all parties are warned against buying the same.

The Annual Sale of Delinquent Lands and Lots will take place on the Second Monday in February, 1920.

PARTICULAR ATTENTION

TAXPAYERS SHOULD EXAMINE THEIR RECEIPTS before leaving the Treasurer's office and see that they are correct. Those who have lands or other property in more than one township, must see that they have a receipt for all.

CHARLES A. FRAZER

Rushville, Indiana, January 1st, 1920.

Treasurer of Rush County.
